Voting for the Directory Board candidates and the Working Group Coordinator candidates follows the same procedure and requires you to have an ACTIVE ICOM-CC web account:

1. A link to access the ballot with candidates' names will arrive to the e-mail address you have associated with your ICOM-CC web account.**
2. There will be one link and one ballot to vote for Directory Board Candidates.
3. If you have signed up through your web account for one or more Working Groups, you will receive a separate e-mail with link for EACH Working Group you have chosen.
4. You may use each link only once to vote Directory Board and Working Group(s). Multiple voting of the same ballot will result in voided ballots.
