

ICOM-CC 50th ANNIVERSARY

ICOM-CC will officially celebrate 50 years (1967–2017) at the 18th Triennial Conference in Copenhagen, 4 – 8 September 2017. But we need your help to get there.

One of the initiatives for the celebration will be a 50th Anniversary print publication that highlights the changes, initiatives, and development of ICOM-CC, its working Groups, and its international activities.

This publication will be distributed as part of the delegate package at the 2017 Copenhagen Triennial Conference.

There will also be a dedicated webpage on the ICOM-CC website with your photo memories and records.

We hope that you will take a few minutes to search through your files and help contribute to our memories.

Visual documents for ICOM-CC's 50th Anniversary initiatives

What kind of documents?

The range of images and documents that can be used to illustrate a commemorative publication celebrating ICOM-CC's 50th anniversary and image webpage is broad. Here are just a few examples.

- **Photographs of people:** People and groups; conferences, lectures and other events; persons performing work or investigating.
- **Photographs of documents:** Manuscripts, sketches and drafts made by researchers; posters and event programs; books, newsletters.
- **Other photographic documents:** restored artworks; buildings relating to activities of ICOM-CC; machinery, equipment, utensils or materials used in conservation and restoration.

Providing the documents

Although we can use any type of document – on paper (documents, posters, books, etc.), photographs printed on paper, transparencies (negative or positive) and digital files (TIFF, JPG, PDF, PSD, EPS, etc.) - it would be convenient to have all photographic documents supplied in digital format.

Alternatively, those who own photographs, posters or books and are not able to convert them into a digital file can try to do it in a photography store or copy centre. There may be a possibility for us to help with this by sending the hardcopy to us (originals will be returned). If you need this service please contact us on this.

- Documents in paper form should be **scanned with a minimum of 600 dpi**.
- Transparencies should be **scanned with at least 2400 dpi**.
- In both cases, files should be in **TIFF, JPG, PDF (with maximum quality), PSD or EPS** formats.

Important: Please provide as much information as possible about each image. Provide names of people and functions, locations and dates, description of procedures, parts/pieces or utensils. Create a text file with this information.

For any questions, sending scanned images and/or written memories, please use the **dedicated e-mail address:**

From the Archives...

Voting for ICOM-CC By-law revisions.

Can you identify:

- 1) the year ?
- 2) the Triennial Meeting ?
- 3) any of the people ?

Please consider making a monetary donation through Paypal to the ICOM-CC 50th Anniversary initiatives. Even a euro or two (or five...) will help us fulfill our celebration objectives!

Use the qr code above or link to the the Donation page [here](#).
